\*We are currently working to get this approved for CCS/CES credits\*

## About our speaker:

Christie Brush is the Vice President for Avalon Risk
Management's Southern Region. Christie joined Avalon
in 2007 and has a strong background in risk
management for the logistics industry. With over 30
years of experience, her expertise includes Bonds,
Cargo Insurance, and Professional Liability Insurance
for the logistics industry. Christie began her career at
Avalon as a Senior Account Executive to help build
Avalon's sales efforts in the south. As VP, she continues
to build strong relationships with clients and
underwriters.

Christie is a licensed Risk Manager and has earned the designations of Certified Insurance Counselor and Certified Transportation Broker. Christie has served on the Board of the International Transportation Management Association (ITMA) in Houston in various positions, including Hospitality Director, Secretary, Vice President, and President.
